(i) It is seen from the submissions of custodians that 67.30 lakh shares of RIL were switched. In respect of the above shares, it was noted that when the shares were lodged for transfer by the Custodians on behalf of their clients with RCS, the shares received back after transfer from RCS were different, with different distinctive numbers (DNRs) and/or transferors' names. However, from the submission of RCS, the total number of switched shares stood at 70.30 lakhs.

(ii) Unit Trust of India purchased a lot of 24 lakh shares of RIL through M/s

L.K. Paney on December 2, 1991. UTI also purchased another lot of 30 lakh shares of RIL through him on May 22, 1992. Out of the first lot of 24 lakh shares, 16.90 lakh shares were switched. As regards the second lot of 30 lakh shares, all the shares were switched.

(iii) For the lot of 22 lakh shares that were lodged for transfer by SHCIL, there were inordinate delays at every stage of processing of these shares by SHCIL from the date of receipt of these shares from the broker, their lodgement with RCS, and their processing after receipt from RCS.

(iv) There was also an inordinate delay in transfer by RCS. There was also a significant delay between the stated date of transfer by RCS of RIL shares and the date of despatch by RCS of the transferred shares to SHCIL.

The Department of Company Affairs and Securities and Exchange Board of India have initiated appropriate follow-up action for dealing the lapses and irregularities as contained in the Interim Reports under the provisions of Companies Act, 1956, SEBI Act, 1992 and Rules and Regulations under the SEBI Act.
